

Montessori School of Encinitas

NEWSLETTER FOR APRIL 2021

From the Office of the Director:

Spring is here! Flowers are blooming. Days are longer and all of us will be spending more time outside with this nice weather. Our babies too are going to have lots of fun playing outside. We hope that everything should be back to normal in a few months time.

Parents and guardians are reminded that the curb side is only for PICK-UP and DROP-OFF so kindly be courteous of other parents who are waiting.

Events:

April 1—Easter Party & Egg Hunt

April 22—Earth Day

On April 22, we will be celebrating Earth Day and to prepare for this occasion, your children and their teachers will be learning about **Reduce-Reuse-Recycle**.

View what your child has been doing at school by visiting our school's face book page. Don't forget to hit : **LIKE**
<http://www.facebook.com/the.mse.school>

Soon we will be preparing for our annual concert and everyone's support is much welcomed and appreciated. Thank you.

Ms. Saro Mahesan

Infant & Toddler Class:

A wonderful and happy spring to everyone. This month's theme is about spring, bugs and butterflies. The little ones really enjoy being outside and appreciate the beauty of nature. Your babies are having a great time exploring and outing it together into creative projects. Our earth day is coming on April 22. We will be making projects with the use of recyclables and natural things which we can find from our environment.

Kindly update your child's belongings and we will be sending home small sized clothes to be replaced.

Teachers: *Ms. Jenny, Ms. Lily, Ms. Gigi, Ms. Jessica & Ms. Lucy*

Preschool Prep Class:

April will be full of wonderful activities! We will be learning all about GROWING in April. This is a topic that has all the children buzzing! So we will be taking time to discuss all the changes around us and about growing, flowers growing, fruits growing and colors around us. We are going to embrace this in our classroom through art, science, and reading. We look forward to do our garden work; planting seed, watering plants, and watching for things to grow.

Our Artist of the month is Spanish painter “**Pablo Picasso**”. We will also continue our topic, which is “Play Well With Others”. We will discuss the different types of aggression, recognize the role aggression plays in the social hierarchy, and learn how to build a foundation of positive social skills. The children have been great at listening, learning, and keeping up with the schedule.

Wishing you a beautiful spring!

Teachers: *Ms. Naing and Ms. Vanessa*

Preschool and Kindergarten Class:

Spring is finally here! It's hard to believe the school year is almost over! As we begin the month of April, we hope we will all be able to enjoy a warmer weather and many beautiful spring days but of course hoping the some rainy days since our area is currently in a drought state. As part of our Earth day celebration, we are also incorporating conscious awareness for **WATER CONSERVATION** and keeping our slogan to **REDUSE-REUSE-RECYCLE**.

This month, we will be talking about spring and how things are changing outside. The children will continue on learning about the different seasons and the changes. Each child will do some planting of seeds in potting soil and will watch our plant begin to grow. Most of our older children mastered making three letter phonetic words with the aid of the movable alphabet. Now they have started reading. They are going to learn the names of the alphabet letter starting from last week of April and the use of the uppercase. In Math, the children will work on the different functions and dynamic activities. Younger children continue improving their challenging work in the area of math and language. For Botany, they will be studying germination of a seed and for zoology life cycle of a man. Art and musical appreciation focuses on the works of Georgia O'Keffee and Pyotr Tchaikovsky. Kindness is the virtue that we would like to focus on and how we can show it to others.

Teachers: *Ms. Jonah & Ms. Ashlei*
