### *Preschool Class:*

This month children are busy preparing special gifts and cards for their fathers for Father's Day. Spring concert practices have been going on in full swing and we have been busy preparing for the children's costumes. The school year is ending soon, and the children have focused on learning in all areas of Montessori and we are so proud to see them become confident and independent. It has been a holistic development and they have enjoyed themselves thoroughly learning this entire year. In art and music appreciation, we will focus on the work of Rembrandt and Brahms. Children will learn about Humility as a value and Albert Einstein as the role model. Kindly check your child's cubby weekly for extra underwear, socks and clothing appropriate for the season.

A happy June everyone! We are very happy to welcome Ms. Kaylie to our class. The children love her and enjoy learning new things from her. Our theme for the last two weeks was about "Wild Animals". We are learning about the sounds they make and their behavior. The next theme will be transportation. We will learn about planes, trains and automobiles. Summer is almost here which means more outside time so we will be asking for sunscreen to protect the skin. Sunscreen forms are required and please ask from the teachers. We have a lot of summer, fun activities planned. Thank you so much for your support.
