

Montessori School of Encinitas

Newsletter for May 2019

From the Office of the Director:

We would like to thank our dear parents for the warmth and generosity you have given during the Teacher's Appreciation Week. We all loved your presents, yummy treats and thank you cards.

We hope that our dear mommies enjoyed their special breakfast and short program last Friday. It was a lovely sight seeing everyone enjoying the presents made by your children.

Time is flying by so quickly and school is nearly over. Please mark your calendar for our annual spring concert which will be held on June 20 (Thursday) at the Carlsbad City Library Auditorium. Be ready for a fun filled evening with dances and singing. Rehearsal for preschool classes will be on June 19.

Times and schedules will be posted soon.

What's up:

May 6—10 Teachers' Appreciation Week
May 12—Mother's Day Special Breakfast
May 27—Memorial Day
May 28—31 Parent/Teacher Conferences

View what your child has been doing at school by visiting our school's face book page. Don't forget to hit : **LIKE**

We are preparing for our annual concert and everyone's support is much welcomed and appreciated. Coordinate with your child's class teachers for any questions. Thank you.

Ms. Saro Mahesan

Infant Class:

Hope you all enjoyed the Science Exhibits done by our little ones last April.

Thank you for celebrating Mother's Day with us and hope you enjoyed the special breakfast with their little one. The babies worked hard in surprising all the moms on this special day.

This month our theme is bugs and butterflies and farm animals. The spring has been very blissful and we will be taking the babies outside for play time. They are sure to enjoy the beautiful weather.

A warm welcome to Mathew and Reese to our class.

Teachers: *Ms. Usha, Ms. Jenny,
Ms. Lily, Ms. Martha,
& Ms. Karely*

Toddler Class:

Welcome to the month of May. We hope all our mommies had a great celebration with the presents and breakfast of delicious food made especially for them.

We would like to welcome Anaisha, Spencer and Rachael to our class. We are excited to have you.

As we celebrate Mother's Day this month. We will learn new songs, read books and look at pictures of mothers and their babies. We will encourage language development, color and shape recognition.

We appreciate your continuous support.

Teachers: *Ms. Mandy, and Ms. Liz*

Preschool Prep Class:

The month of May is filled with the sounds of birds, the smell of fresh flowers and summer breezes from time to time.

During this month, we will be celebrating Cinco de Mayo with traditional Mexican food, music and dance and of course, celebrating Mother's Day. Outside, gross motor skills are developing, throwing and catching balls, and lots of running, climbing, and jumping. Inside, the children have really taken responsibility for cleaning their classroom at the end of the morning work period and setting up lunch, and at the end of the day before they go home.

Math: This month many of our math activities will be focused on patterning as well as practicing our counting, some children are mastering the numbers 1-10. Some are eager to write their numbers and some are still working on tracing the numbers.

Arts: The children are going to create Mother's Day crafts and colorful Flowers. The children will learn the purpose, symbols, colors and activities related to the Mother's Day. Our Artist of the month is American realist painter **Edward Hopper**.

Language: Some children are memorizing their sound of the letters. Reading is a big part of our class this helps the children relate themes and information in books to personal experiences.

Please make sure your child has weather appropriate clothing in his/her cubbies.

Happy Mother's Day to all Moms!!!!

Teachers: *Ms. Naing and Ms. Vanessa*

Preschool and Kindergarten Class:

It's hard to believe that the end of the school year is almost here. All the children have grown so much, not just physically, but socially and emotionally as well, becoming more and more independent. It is wonderful to get to know each child individually and see how special they each are. Their progress is what helps keep us involved and interested in Montessori education or what they proudly call "work". Kindly encourage your child to complete a given task and practice at home is important. Last month we have talked about saving our planet, what we can do (recycle, re-use and reduce) and how to help and save our planet.

Thank you for the kind gestures and gifts you have shown to us during the Teacher's Appreciation Week. We really enjoyed the pampering and treats.

Some of our children are improving their reading skills while others are improving their handwriting. In Math, older children are learning the functions of addition, multiplication, decimal system and carrying quantities. Younger children are moved to colored bead bars, teens and tens. And all the children are practicing their number writing too.

For this month's featured artist, we will learn about the life and masterpieces of Paul Klee. We will also listen to the compositions of Franz Schubert. We will also talk about Memorial Day and give honor to the men and women who died while serving the United States Armed Forces.

Finally, it is time to get ready for our spring concert and we need your help making their costumes. For any questions, please approach any of your child's class teachers. Be reminded to take your child's water bottle/cup home on a daily basis.

Teachers: *Ms. Jonah & Ms. Golsa*

Remember -
our fallen heroes.
They are the reason
that we are free.
