

Montessori School of Encinitas

Newsletter for May 2017

From the Office of the Director:

We will be celebrating Mother's day with special breakfast and short program on Friday, May 12. For this occasion, we can only accommodate mommies due to a lack of space and we hope everyone can understand.

Time is flying by so quickly and school is nearly over. Please mark your calendar for our annual spring concert which will be held on June 22 (Thursday) at the Carlsbad City Library Auditorium. Be ready for a fun filled evening with dances and singing. Rehearsal for preschool classes will be on June 21. Times and schedules will be posted soon.

Always check your child's folder and class' clipboard for important announcements.

We are planning on many exciting events for our summer program this year. Information will be out soon regarding our themes and field trips.

What's up:

May 12—Mother's Day Special Breakfast

May 19—Children's Night

May 25—Memorial Day

View what your child has been doing at school by visiting our school's face book page. Don't forget to hit : **LIKE**

We are preparing for our annual concert and everyone's support is much welcomed and appreciated. Coordinate with your child's class teachers for any questions. Thank you.

Ms. Saro Mahesan

Infant Class:

We warmly welcome Owen Eisz, Tirza Matlin, Acacia Nichter and Mrs. Rose to our class. This month we will be celebrating Mother's Day and we would like to invite all the moms to come and have a special breakfast with their little ones on May 12. Our babies are working hard in making their gifts for their moms on this special day.

This month our theme is flowers, ocean animals and picnic. The spring has been very blissful and we have been taking the babies outside for play time. They have been enjoying the beautiful weather.

Teachers: *Ms. Usha, Ms. Marcella,
Ms. Jenny & Ms. Rose*

Preschool Class:

This month we are celebrating Mother's day and we would like to invite all moms to join us for a special breakfast on May 12. The children are very excited about making something special for their dear mommies.

Children are doing very well with the usage and practice of Montessori materials. Thank you parents for your follow up in helping your child identify and trace letters and numbers at home as well. Children are developing socially, emotionally and becoming very independent.

We will start preparing for our concert soon and we will need your help in making their costumes.

Kindly check the snack schedule and your child's cubby weekly for extra underwear, socks and clothing.

Thank you for your continued support.

Teacher: *Ms. Jyoti*

Preschool Prep Class:

We are so excited for all the fun spring time activities we have planned for the month of May! Let's welcome Luken Tiegen to our class.

For the month of May, we will continue with the season of spring and getting ready for our annual celebration of Mother's Day on May 12.

This month we'll do all the fun crafts and art project for Mother's Day. And we will be discussing how seeds grow into plants. Our children are learning their numbers, shapes and colors with the aid of Montessori materials. Some children continue to master numbers 1-10, identifying and tracing phonetic sounds of the letters.

We thank you for entrusting your child to us. We have enjoyed working with all of the children in our care. It has been a joy to watch your children grow. They have also become more independent and have adjusted well to the school environment.

We feel a close partnership with our parents and send you our best wishes.

Happy Mother's Day!!

Teachers: *Ms. Naing and Ms. Vanessa*

Toddler Class:

Welcome to the month of May. We sincerely hope you had a wonderful Easter and relaxing spring break. Our little ones surely enjoyed finding eggs and the little treasures inside. You can view the pictures on the school Facebook Page.

We would like to welcome Miles Geoffroy, Zoey Miller and Reese Bayer to the toddler room as we say good bye to Luken Tiegen as he is promoted to preschool prep class. We look forward to assisting your child's growth and development.

Keep your morning free on May 12 as we celebrate Mother's day by serving you a special breakfast that you can enjoy with your child. Thank you for your support.

Teachers: *Ms. Mandy, and Ms. Liz*

Preschool and Kindergarten Class:

It's hard to believe that the end of the school year is almost here. All the children have grown so much, not just physically, but socially and emotionally as well, becoming more and more independent. It is wonderful to get to know each child individually and see how special they each are. Their progress is what helps keep us involved and interested in Montessori education or what they proudly call "work". Kindly encourage your child to complete a given task and practice at home is important. Last month we have talked about saving our planet, what we can do (recycle, re-use and reduce) and how to help and save our planet.

This month of May, we will be very busy making special Mother's day gifts and cards. It was a "secret" and join us for a special breakfast (May 12) made especially for you. Due to lack of space in room 5, we can only accommodate mommies during this event.

Some of our children are improving their reading skills while others are improving their handwriting. In Math, older children are learning the functions of addition, multiplication, decimal system and carrying quantities. Younger children are moved to colored bead bars, teens and tens. And all the children are practicing their number writing too. In Science, the children will plant the seeds and watch them grow.

For this month's featured artist, we will learn about the life and collage masterpieces of Hans Arp. We will also listen to the compositions of Johann Strauss.

Finally, it is time to get ready for our spring concert and we need your help making their costumes. For any questions, please approach any of your child's class teachers. Be reminded to take your child's water bottle/cup home on a daily basis.

Teachers: *Ms. Jonah & Ms. Silvia*
